Dear Mr. Weisberg:

I am currently a student at Hood College pursuing a Communications/ Management major. In the course of my studies I elected to take Dr. Gerry McKnight's course entitled "Politics of Assassinations" in which I have become very interested in your work. Consequently when assigned to do a personality profile story in one of my Journalism classes, my first thought was to see if I could obtain an interview with you at your convenience.

I am basically interested in learning a little about how you found yourself in your work and what motivated you to delve deeper into the assassinations.

If you wish you may call me at 694-7043 to arrange a time for my interview or you may correspond at the following address. Thank you very much.

Fri - 3:00

Sincerely,
Barbara J. Martin
